

BUILDING STABILITY CERTIFICATE

Date: 17-02-2023

Sir,

Sub:- Report of the stability check for the existing school buildings:

I have checked the strength and Safety of the existing building No: 377/2 at Believers Church Residential School, Kuttapuzha (po), Thiruvalla

The inspection is carried out on for the school building. The building is having B+G+2 floor and all floors with a varandha. The buildings are framed Structures. The walls of the rooms are made of masonry and floors are RCC. All portions of the buildings are neatly plastered and painted. The area statement and other details are given below.

Location details:

Survey no : 320/2
Village : Kuttapuzha
Thaluk : Thiruvalla

Area details:

FLOOR NO	BUILT UP AREA IN SQM
Basement floor	538.00 SqM
Ground floor	2243.21 SqM
First floor	2039.50 SqM
Second floor	1489.00 SqM
Total area	6039.71 SqM

The observations during the site inspection are as follows;

1. The strength of the walls, columns, beams and slab are found to be good.
2. No visual distress is observed on any part of the building.

Based on the observations, it is hereby certified that the school buildings notified above is structurally stable and safe in the present condition.
